Team Assignment 4 (100 points) - Section 1: All Individual Solution Ideas

A. Instruction:

For your team's own project, collect all individual solution ideas/designs in to a file (preferably in Word format), and submit. Note that each individual solution design must include a description with complete sentences and at least one diagram for the solution design. There is no format requirement for the complete file except that it indicates at the top of the file team's name, the names of the team members, and the title of the team assignment 04.

B. Score Distribution and Rubric:

	Rubric
100 pts	All individual solution ideas/designs from each of the team members are collected, each written with completed sentences and at least one diagram.
80 pts	All individual solution ideas/designs from each of the team members are collected, each written with completed sentences but <u>without</u> at least one diagram.
60 pts	All individual solution ideas/designs from each of the team members are collected, each with at least one diagram but <u>without</u> a description in completed sentences.
40 pts	At least one individual solution ideas/designs is <u>not</u> collected.
0 pt	No individual solution idea/design is collected.

C. Submission: The team leader work on word processing software to collect individual works in a submission file. One submission from a team is required with the following file name:
TeamName_IndSols.xxx .

D. Submission due: 8:00pm Monday October 19, 2020

E. Number of Submission Attempt: Once.

F. Extension Request of Submission: No extension is allowed.
