**Subject:** Invitation to Georgetown Undergraduate Research Conference 2016

Dear Howard Electrical & Computer Engineering Department,

The **Georgetown Undergraduate Research Conference (URC)** Student Planning Committee would like to invite students from area Universities to present their Health and Science related posters. The URC is a combination of student investigations, faculty research, and keynote speakers, whose main goal is to highlight the health- and science-related research efforts of undergraduate students. This year will mark our **14th** Annual URC and it will be held from **April 14 to 15, 2016**.

We would greatly appreciate if you all could forward this email to other faculty and students in your respective departments.

The Conference agenda thus far is as follows:

- 1) **Thursday 4/14/16** (full day):  
Morning/Afternoon: **Student Poster Presentations**.  
Noon: **Keynote Address by Robert Redfield Jr. M.D.**
- 2) **Friday 4/15/16** (half day):  
**Breakfast and Student Oral Presentations and Awards Ceremony.**

The [application](#) to this year's conference can be found at:

<https://docs.google.com/a/georgetown.edu/forms/d/1r5-SNyTBeQ2Jnnp6wJL4ViZTr-phWRpjZWMG0qyfxA/viewform>

**IMPORTANT DEADLINES**

**Abstract and Application** submission deadline: **March 18 @ 11:59pm**

**Poster** submission deadline: **April 1 @ 11:59pm**

All posters will be printed by Georgetown's School of Nursing and Health Studies. There is no application fee and cost to print posters.

Thank you and if you have any questions/comments/concerns, please email [nhsurc@georgetown.edu](mailto:nhsurc@georgetown.edu).

Sincerely,

Jiwon Noh  
Georgetown Undergraduate Research Conference Planning Committee
